

Confidential Instructor Evaluation

Instructor's name:

Phone/email:

_____ is being considered for admission at Queens Paideia School, an independent school that stresses both individualized instruction and participation in mixed-age group activities. Some of our primary concerns for an applicant are his/her ability to work independently and how he/she functions in a small-group setting. We appreciate your taking the time to complete this evaluation.

How long have you know the student, and in what context?

In what areas does this student show particular strength?

In what areas has this student needed special support or help?

Are there any concerns about attendance or promptness?

Please describe the student's parents' involvement and cooperation:

Is there any other information about this student or the family that would be helpful to know?

For the following areas, please check off the answer that best describes the student.
